
Welcome to the Eight Streets Neighborhood Association

Our Mission and How You Can Get Involved!

Friends Groups

Coordinate activities and communications across the various Friends Groups (Peters Park, Ringgold Park, Watson Park and Berkeley Community Gardens) to ensure a cohesive and thriving neighborhood. Support annual clean ups, maintenance and community fundraising.

Businesses & Non-Profits

Invite local businesses, non-profit organizations and City of Boston officials to our meetings to ensure a strong and constructive dialogue on issues of common concern and to develop mutually supportive plans and actions. Recent speakers include:

Le Comptoir on Tremont, South End Historical Society, The Buttery, South End Community Health Center, The Little Free Library, Project Place, Hingham Savings Bank, More Than Words, The Wine Riot, Shawmut Yoga, Councillor Bill Linehan.

Boston Police Department

Liaise with Boston Police Department (BPD) to make our neighborhood a safer place to raise families and enjoy friends.

Organize safe alley walks and review crime reports with BPD to identify where we can make a difference including:

Improvements in street lighting, affixing street numbers on rear gates, ensuring adequate locking of doors and fences, clearing out of alleys to allow for emergency services access.

Developers

Work with developers to deliver win-win solutions that encourage investment in our community, whilst respecting the interests and concerns of residents and the City of Boston building codes and guidelines.

Socials

Organize socials (BBQs, stoop parties and seasonal celebrations at The Eagle) to bring neighbors together and seek out areas of common interest.

Recent stoop parties have been held on Dwight, Waltham & Milford Streets.

City of Boston

Coordinate activities with the City of Boston Department of Public Works (DPW) to repave streets, repair sidewalks, ensure adequate lighting, arrange trash collection and to keep our streets and alleys clean and safe.

Recent repaving: Milford, Taylor & Dwight Streets

Coordinate with the South End Forum and other neighborhood associations to ensure our “small footprint voice” becomes a cohesive and powerful one.

Be the point of contact for all City of Boston enquiries within the ESNA.
