

Eight Streets Neighborhood Association Meeting - April 10, 2018

Graffiti issue in ESNA with 7 new incidents. If you see graffiti it is important to take action:

1. Property owner must call police and file a police report
2. File 311 Report
3. Sign release form
4. Contact Officer Ritchie Litto if possible, he will make things happen
5. Neighborhood flier has been created and will be distributed to inform residents on what they should do when they see graffiti.

Community Music Center of Boston

www.cmcb.org

Presentation by Lecolion Washington, Executive Director & Catherine Miller, Director of Marketing

The Community Music Center of Boston is an accredited non-profit music school that provides excellent music education to groups and individuals of diverse backgrounds, abilities and ages. They have been teaching music for 107 years in the multicultural South End. Their mission is to transform lives throughout Greater Boston by providing equitable access to excellent music education and arts experiences.

Private Lessons - Classes - Early Childhood - Adult Lessons - Workshops Ensembles - Concerts - Music Therapy - School Outreach Partnerships - Satellite Programs - Music Theory - Alumni Events - Summer Programs Performances - Choruses - Special Events

Serving 4,500 students every week

Building, strengthening, bridging music connections throughout Greater Boston.

Beyond Lessons at the music center:

John Kleshiniski Conert Series: Enjoy diverse samplings of live music by talented professional musicians. Concerts are free and held throughout the year at the Music Center and with collaborating organizations.

Fete de la Musique, Saturday June 23, 2018 : For the 6th year, CMCB invites the neighborhood, friends, visitors and passersby to the 2018 Fete de la Musique, an outdoor music festival celebrating the summer solstice with live music, food and activities for all ages. Live music will be performed in area parks and in partnership with local businesses.

Walden Local Meat Co. - Butcher shop & Farm Share company - 316 Shawmut Avenue

Share program is for people who want to cook and eat locally, nutritiously and sustainably.

Mission: For people who want to cook and eat **LOCALLY, NUTRITIOUSLY AND**

SUSTAINABLY, We are **MAKING LOCAL WORK**...right here in New England and New York.

We produce the highest quality supply of 100% grass-fed beef and other pasture-raised meat including chicken, pork and lamb from nearby highly principled farms. By partnering with **SMALL INDUSTRIOUS FARMERS** instead of industrial factory farms,

We are **REINVIGORATING** our local agricultural economy, in support of healthier and happier animals, people and communities.
